African Violets
Supplemental List
Fall 1958

Rooted cuttings of the varieties herein listed to be sent by parcel post, special handling. **ALL ORDERS MUST BE ACCOMPANIED BY A 75c HANDLING FEE** to help defray cost of delivery, packing, etc. No order will be accepted unless this fee is included. Special delivery is 55c additional, instead of the 45c mentioned in our Basic Catalog, due to the increase by the post office.

Varieties herein listed to be ready for delivery about mid-September and shipping will begin at that time and continue as long as weather will permit, but we do **NOT** ship during cold weather. Our rooted cuttings this fall will be leaves planted from ten weeks to four months—you will receive the leaf and what it has produced in that time. Sometimes, in the event of a rooted cutting past the four month stage you will receive a clump of plantlets, but the parent leaf removed. We send the largest and best on hand at the time your order is shipped. Orders will be shipped in rotation in the order in which we receive them.

We guarantee safe delivery of your orders but cannot be responsible for their performance after you receive them, as we cannot control the conditions under which they will be grown after leaving us. If your order is damaged in transit or otherwise not in good order please return it immediately for adjustment. No adjustment will be made unless this is done, and that is the condition of sale under which you send your order.

We request that before ordering you read carefully page 1 in our Basic List for 1958, as all conditions therein apply also to fall shipping. If you do not have the basic list (over 500 varieties are listed there) send a self-addressed and stamped envelope and one will be sent to you—as long as our supply holds out, that is!!!

ALL varieties in the basic list will be again available this fall **EXCEPT** these: **ALL AGLOW IMPR., BLUE MOON, BLUE CAPRICE, BUD'S SPELLBINDER, BUD'S PINK POPCORN, BUD'S TICKLED PINK, BUD'S PINK VALENTINE, DAHLENE RHODES, DBL. ROSETTA PLUM, JUNE BRIDE (TINARI), KATHLEEN, KISS 'N TELL, LITTLE ARISTOCRAT, LITTLEST ANGEL (HAMMOND), MINNESOTA SUPREME, MISS NEW YORK, ORCHID HOOSIER GIRL, PINK BRIDE, ROSEMARY, ROSEMINA, SALOME, T.V. SUMMER CLOUD, T.V. PAGE BOY, T.V. SUMMER DREAM, T.V. TUXEDO, WHITE PRINCESS, WILD THORNAPPLE, SNOWSCAPE.**

We have discontinued **ALL** plants and are limiting ourselves to the growing and shipping of rooted cuttings this fall and in the future. Mail order only. All orders contingent on supply on hand at time of shipping. We will have thousands of rooted clumps ready mid-September, but we **ARE** short on some varieties, especially among the groups priced at \$1.00, \$1.25 and \$1.50. We always appreciate your naming a few substitutes in the event we are out of something you have ordered. Limit 2 of a variety per order.
